Manual Dishwashing

- **Sort & Scrape**
- **Wash** With detergent in hot water
- **Rinse** In clean, hot water
- **Sanitize:**
  - Hot water ≥ 170°F for 1 min
  - 50-100 ppm Chlorine ≥ 75°F for 1 min
  - 12.5 ppm Iodine ≥ 75°F, pH ≤ 5 for 1 min
  - Quaternary Ammonia @ 200 ppm – Follow manufacturer’s instructions

- **Air Dry**
  - DO NOT Dry with paper or cloth towels

*Appropriate test strips must be used to verify the sanitizer concentration.*
