TOWN OF BETHEL-seeking a Part-Time Sanitarian to assist in enforcing the Connecticut Public Health Code, Connecticut General Statutes, and local regulations. This position includes a wide range of environmental duties. Responsibilities include application and plan reviews, land use inspections, complaint investigation, regulated establishment inspections, preparing reports, making recommendations regarding public health matters, and providing information to the public, for example.

Must have a Bachelor's Degree with major studies in environmental health, science or public health. Registered Sanitarian Certification by the State of Connecticut required. Subsurface Sewage Disposal Systems, Phase 1 and II required. Extensive knowledge of the principles and practices of public health. Extensive computer skills desired. Ability to work well with the public and with health department staff. Must have a valid Connecticut driver's license. Position requires ability to understand the laws and regulations governing the enforcement of environmental health codes. Ability to communicate both orally and in written form to both the public and staff.

Wages: $33.00/hour. 20-25 hours per week. No benefits.

Applications can be obtained on the Town's website: bethel-ct.gov OR resumes may be sent to the Bethel Health Director: vasilie@bethel-ct.gov.

Position open until filled. EOE/M/F/V/D
