

## Text Messaging Consent Agreement with the Connecticut Environmental Health Association

By consenting to text messages from the Connecticut Environmental Health Association, we will send text messages to your entered mobile phone number regarding updates to any events you are registered for, information on upcoming event registration, membership renewal reminders, membership updates, and other relevant information to your relationship with the Connecticut Environmental Health Association.

Your mobile phone number will only be used by the Connecticut Environmental Health Association as a benefit to your membership or as part of registration to our events; and will not be used or made available to anyone or any entity not directly involved with the Connecticut Environmental Health Association without your explicit consent.

You will be able to opt out of text messaging from the Connecticut Environmental Health Association at any time of your choosing.
